

# Alaior Old Town Treasure Hunt

## Before you set off

1. Take a mobile phone. You will need it to play the game.
2. Google Maps contains a lot of additional information that will help you solve the puzzles.
3. The answers to names and places will be in Catalan, not English or Spanish.
4. The answers should be input in lower case letters without spaces between words.
5. Check out our Gambits page to see what types of clues and puzzles you can expect to find on your hunt. If it isn't on the list, we won't use it.
6. Don't forget to say "Hola" or "Buenos Días" to people you meet.
7. Ask yourselves these questions before you go on a hunt: -
  - Do I have the right clothing, sunscreen, and the proper equipment?
  - Do I have the skills and experience to complete the hunt safely?
  - Do I have enough food and water?
  - Did I share my plans with someone, including my proposed route and time of return?
  - Have I checked the weather forecast to ensure it is safe to go?

But most of all, have fun!
